PREFACE.

Many collectors who have not had experience in purchasing at auction sales, on account of living at too great distance from New York, may have their orders executed by the auctioneers, Messrs. Scott & Company, or other dealers, for a commission of 10 per cent. on amounts under $100—over $100 5 per cent.—a uniform charge of 50 cents made on any amount under $5.

In reference to the method of selling at auction, we would say that each lot is sold to the highest bidder, at so much for each coin in the lot (except in cases of proof sets), so if you desire a lot of coins which contains 10 pieces and you wish to pay $1,00 for it, you should bid 10 cents each. Always state your highest price, relying on the honor of those you employ to make the purchases for you at the lowest possible figure.

The Coins will be on exhibition at the Auction Rooms, on the day of Sale, from 10 A. M., to 5 P. M.

SCOTT & COMPANY.

New York, March, 1889.

NOTE—Every coin catalogued is warranted genuine, unless otherwise mentioned.
